Update from the Principal

Kia ora koutou
Ngā mihi kia koutou

I am sure that you will all join us in sending 'we care about you' thoughts and our best wishes to the people in the many areas of the North Island that have suffered devastating effects as a result of the recent cyclone. We can consider ourselves extremely fortunate here in Manawatu, but many people will have whānau/friends/loved ones in areas that are suffering hugely. This can cause worries or anxiety even for people not directly affected, especially while communication and direct contact is so challenging. As a staff we will support the tamariki in an 'age appropriate' manner. Please let us know if you notice changes in your own children, we will help in any way possible.

DONATIONS TO SEND TO HAWKES BAY (PTS Logistics sponsored)

We have been made aware of containers being filled to distribute to those who have been displaced or are in desperate need of support. Our staff is supporting this initiative.

If anyone would like to support this cause, we are happy to have you deliver items to the school hall on Monday morning. Our student leaders will sort, box and label donations to prepare them for transportation.

Items that you could donate are:

- non-perishable foods
- bottled water
- baby formula
- nappies
- sanitary products and toiletries (new)
- clothing for babies, children, and adults (clearly labelled)
- socks and undies (new)
- blankets, sheets, and towels
- shoes
- pet supplies
- torches and batteries

If you have any boxes that we could have to package goods up, we would love them too!

Alternatively, if you would like to donate funds, there is a give a little page set up:

EDUCATION OUTSIDE THE CLASSROOM (EOTC)

Each kete has a range of exciting activities planned for the coming week. EOTC week culminates in our whole school 'Big Day Out' next Friday. Our sincere thanks to those adults who have offered to come along and support a group of children next Friday. Due to limited space on the buses we have calculated the number of adults we require to support the children - please try not to let us down at the last minute unless an emergency arises. Parent helpers will be allocated a group of children to supervise (not just your own child). Please have the tamariki here between 8.30 and 8.40am next Friday - we need to take the roll as soon as the bell rings and then load 350+ excited young people and their bags into buses and start our adventure. The children are to wear school uniform (including their sunhats), backpacks need to contain plenty of food and water for the day, along with their school polar fleece and togs/towel in a waterproof bag.

PAID UNION MEETINGS

Teachers have been called to meetings on Thursday or Friday afternoon on the 2nd/3rd March. While some schools are requesting parents take their children home early on one of those days, we have managed to cover in rooms and therefore do not require you to do an early pick up. I thank my very flexible and dedicated staff for their efforts to enable this happen.

WEETBIX TRYATHLON

The school has set up a school group for ease of entering. The Palmerston North Weet-bix Tryathlon will be held on Tuesday, 21 March 2023 at Onley Park. The school does not class this as an official school event and will not be sending a teacher to the event. It is up to individual parents and caregivers to enter, organise and support their child at this event. If there is a group of parents happy to organise the picking up and setting up of our school marquee you are welcome to come and borrow it

Below is our SCHOOL GROUP specific link. This link will enable you to enter with ease!

COMPUTER/MOBILE CODING

A BRIGHT FUTURE

Our lessons will expand your child's horizons. Your child will learn to not only passively consume technology, but to create technology so that they can be an active part of the digital era. Learning to code is great for student's brains as it develops regions of the brain associated with both math and language. Children have an amazing capacity for learning and introducing them to coding while they're young will help set them up for success in our increasingly digital world.
