Ways you can contact the office when your child/children will be absent or late -

Email - office@hokowhitu.school.nz

Phone (You can also leave a voicemail) - 06 357 9667

App - See how to download the App below

School cell phone (you can ring or text this number) - 027 357 9021

Please contact us as soon as you know your child will be late or is not coming to school as it can take a long time to contact everybody that doesn't contact us. We do this to ensure your child is safe and not a missing child. Please do not contact the teacher directly, they don't always see emails when they are teaching. Thank you.

SAFETY CONCERN

Following on from yesterday's notice advising you that we had a child offered lollies from a stranger on their way home from school, we thought it may be helpful to share some ideas around how to assist with safety if tamariki need to walk/scooter home by themselves.

1. Be very clear with your children on your expectations that they walk directly from home to school and from school to home at the end of the day (no stopping off at parks etc to play).
2. We DO NOT advise that you make a plan to meet your child at Hokowhitu Park - this is unsafe as there is no supervision.
3. Where possible, tell them to walk with siblings or other people from our school. There is safety in numbers.
4. Talk with your child about who their 'safe' people are, and make it clear that they are ONLY to go with these safe people - **no one** else.
5. If approached by someone who is unknown or not one of their 'safe' people, do not stop and talk to them, or accept any treats.
6. Walk fast/run and head immediately home (or to someone they know). Whichever is closest.
7. Tell one of your safe people immediately, so they can help you.

COMMUNITY SURVEY

Thank you so much to the 121 whānau who have taken the time to complete this survey. We really want EVERYONE to give us their ideas and feedback. Please see the link below and complete the survey **if you haven't** done so already.

Every three years our Board consults with our school community as widely as possible to get YOUR voice and ideas on the strategic direction for our kura (school). The survey link was emailed to you last week (but here it is again in case you missed it) - <https://www.surveymonkey.com/r/WVBX58P>

Please do have your say - the board wants to know what you think we are doing well, and what we might consider for the coming years.

Everyone who completes the survey will be in the draws to win one of 3 family passes to Cloud 9 - so do complete it, and be 'in to win'.

The survey will remain open until next Friday 26th May - it takes approximately 5 minutes to complete.

PTA FUNDRAISER

We have been delighted with the response to our cookie fundraiser orders. The three families with the highest sales will be recognised at assembly in a future assembly.

Thank you to everyone who supported the selling of cookies and thanks in advance for the offers of help on delivery day. We will gladly accept all helpers - 'many hands make for light work'.

KAPA HAKA

Our kapa haka group has grown this year to almost 80 students! We are very excited about this. We are also very proud of those tamariki who have committed to joining Mrs Blay and Mr Masoe on Thursday mornings to have extra practices. Thank you to our whānau for supporting this.

On Monday 26th June our year 4-6 kapa haka students will be heading to Te Pae Tamariki at the Regent Theatre. A permission slip for this will be coming home next week. We are only able to take our Year 4-6 tamariki due to restrictions on our numbers.

On Tuesday 27th June our whole kapa haka group (Years 1-6) will be performing as part of our Te Aō Māori evening. We will be working towards these two events and are very excited for all of our tamariki to showcase their learning!

CROSS COUNTRY

The weather has not been very kind to us this week. Due to the heavy rain and hail on Monday, the PNCC closed their grounds until at least Thursday, and this made it impossible for us to proceed (even when the sun decided to shine again on Wednesday).

While conditions were less than ideal today, we decided to forge on and run the event. Results will be published in a future newsletter.

Well done to everyone who competed and congratulations to our champion runners!

PINK SHIRT DAY

Thank you to everyone who entered into the spirit of this event by bringing a donation and wearing a pink (or white) shirt today. Funds raised will be donated to the Mental Health Foundation to support them in their mahi (work).

Pink Shirt Day is an anti-bullying campaign that celebrates diversity and creates environments where all people can feel safe, valued and respected.

ROAD PATROL SAFETY WEEK

We value our road patrol team every single day, but this week has highlighted their importance to us all. Thank you to those of you who stop at the pedestrian crossing when you can see there are people waiting to cross - especially in wet or miserable weather conditions.

Wishing everyone a lovely weekend.

Update from the School Board

Tēnā koutou,

You may have seen some media coverage recently because new rules have come into place around the use of physical restraint in schools. When the Board met last week, one of our main items of business was updating the school's policy on behaviour management to align with these new rules. We know our staff are fully committed to the safety and welfare of the children in their care. The new rules support this by ensuring that physical restraint is only ever used as a last resort, in the safest possible way, and that the school is accountable every time this occurs. The rules also clarify that all teaching staff are automatically authorised to use physical restraint, but the Board is required to authorise any non-teaching staff (such as learning coaches). There are also expectations around staff training that Lin is now working to put in place. You can see our revised policy on behaviour management on the school website, in the "About Us" section, where we have also included the Ministry of Education's official guide to the new rules. We will also provide a list of any authorised non-teaching staff in the same place. As always, if you have questions or feedback on this, or any other aspect of the school's governance, please feel free to talk to a Board member or to email us at board@hokowhitu.school.nz.

Ngā manaakitanga,
Philip Steer

Basketball

Hokowhitu Jets - What a great game! You doubled your score from last week and you worked as a team on defence, way to go. Congratulations to **Saied** for player of the day, making sure that you helped the point guards bring the ball towards our goal.

Hokowhitu Shooters - The Hokowhitu Shooters have started the season enthusiastically with good games. Thanks to **Whaea Bree** for coaching the team.

At Hokowhitu School we are lucky enough to have a few parents or teachers who **volunteer** their time to coach and manage sporting teams. Remember if you are lucky enough to be on the side line supporting your child and their team, then all we want to hear from you is **POSITIVE PHRASES** to encourage all the team, including the coach and the managers. As adults we are the role models for our future sporting stars.

Five sporting organisations (Football, Rugby, Hockey, Basketball and Netball) have collaborated alongside Sport Manawātū to improve side-line behaviour and therefore create positive experiences for those participating. It is not just athletes and parents that this campaign focuses on but also coaches, referees, volunteers, and supporters down at our local fields and venues.

Here is the link for more information:

Coaches/Managers - If you would like any awards or photos in the newsletter, please email them through to office@hokowhitu.school.nz by Thursday night at the latest.
