

## STATIONERY 2026

### Te Kete Aronui - TKA

Dear Parents, Caregivers, Whānau

The following is the list of school stationery that your child will require for the 2026 year.

When you are buying stationery please be mindful of the quality of the exercise books you are buying. Some cheap brands also have very poor quality paper. It is difficult for children to work on this very thin paper without tearing it and becoming very discouraged about the appearance of their books.
